SLL-2 Revised Budget (12 teams)

Nov 8, 2026 · @Nikster

The League's own cost for Season 2 comes to **₹84.82 L** for 12 teams and 33 matches over 12 match days. That is 45% below Season 1's ₹1.54 Cr and 38% below the 26 Oct plan of ₹1.37 Cr. The ₹20 L prize pool sits outside that figure because the sponsor now pays it. Fees the League sets itself cover ₹73.68 L, so the League needs **₹11.14 L of general sponsorship to break even**, plus ₹20 L of prize sponsorship.

Assumptions (8 Nov 2026)

Item	Assumed	Source
Teams	12 (Bengal Tigers and Chennai Thalaiva excluded)	Nikhil, 8 Nov
Format	2 groups of 6, single round-robin: 30 league matches + 2 semis + final = **33 matches**	Rule 5, re-cut for 12 teams
Match days	Each team plays once a weekend, 3 matches a day (8:00, 11:30, 3:00): 5 league weekends + finals weekend = **12 match days**	Rules 4.2, 5
Venue	Essex Farms Cricket Club & Academy, Chhawla, one ground	Rule 1.5
Franchise fee	₹5,00,000 × 12, GST on top (GST left out of all figures)	Rule 3.1, 8 Nov
Player fees	₹1,000 registration; ₹4,000 per player bought (~16 per team)	Rule 13, T&C
Prize pool	₹20 L, paid by the sponsor, 60% owners / 40% players	8 Nov
Rates	26 Oct plan rates per match day, checked against Season 1 actuals	Budget PDF, Season 1 ledger

If the League keeps the 3 Nov calendar (one round every weekend from 23 Jan to 14 Mar), the 5 league rounds can spread over more weekends. The match count stays 33; only the spacing changes.

Expenditure by head

Halving the match days (24 to 12) saves ₹26.33 L across ground, match-day operations and broadcast. Moving the prize pool to the sponsor takes another ₹20 L off the League's books. Event and kit costs are kept at the 26 Oct figures. All amounts are in ₹ lakh, before GST.

#	Head	Basis of the revised figure	26 Oct plan	Revised
01	Ground & officials	12 days × (ground hire 40,000 + umpires 18,000 + scorers 5,000 + ball boys and ground staff 5,000 + generator and diesel 11,000) = 9.48; pitch and outfield preparation 2.00; match balls 100 × 550 = 0.55	20.96	12.03

	Gross, including the prize pool		**137.17**	**104.82**

Each extra match day adds about ₹2.5 L. That covers ground and officials, tent and match-day staff, broadcast, crew, three matches of catering, Man of the Match awards and balls. Last season the SportsCube ground contract ran at about ₹50,000 a match day all-in, so the ₹79,000 a day plus ₹2 L of pitch preparation used here leaves room to negotiate with Essex Farms.

Income and break-even

Franchise fees carry the season. With all 12 teams sold, fees the League sets itself bring in ₹73.68 L against a League cost of ₹84.82 L. That leaves ₹11.14 L to raise from sponsors, plus the ₹20 L prize pool.

Income	Basis	₹ lakh
Franchise fees	12 × 5,00,000 (60% by 5 Dec, 40% by 15 Jan)	60.00
Player registration	~600 registrations × 1,000 (as in the 26 Oct plan)	6.00

Income	Basis	₹ lakh
Selected-player fee	12 teams × ~16 players bought × 4,000	7.68
Set by the League		**73.68**
General sponsorship needed	League cost 84.82 less 73.68	11.14
Prize sponsorship	Pass-through	20.00

Scenarios (League cost held at ₹84.82 L)

Scenario	Fees set by the League	Sponsorship needed (excluding prize)
All 12 teams sold	73.68	11.14
10 teams sold (Team 10 and one Diplomats team unsold)	62.40	22.42
12 teams, registrations at 300	70.68	14.14
12 teams, every team takes the ₹1 L top-up	85.68	none; 0.86 surplus

On cash: the first franchise instalments bring ₹36 L by 5 Dec, which covers auction night. The other ₹24 L arrives by 15 Jan, before the opener. Local-sponsor shares (20%, Rule 3.4) and top-ups are upside and are not counted above.

Against Season 1

Season 1 cost ₹1.54 Cr. Most of the difference comes from three things Season 2 doesn't repeat: a ₹35.5 L one-time ground build, two auction nights, and 15 match days.

Cost centre (₹ lakh)	Season 1 actual	Season 2 revised	Why it moved
Match operations (heads 01–03)	48.57	30.20	12 match days, not 15; per-day rates set in advance, not per weekend
Events (heads 04–06)	44.29	20.00	One auction night, not two; owners' meet at high-tea scale

Cost centre (₹ lakh)	Season 1 actual	Season 2 revised	Why it moved
Ground build	36.31	none	Season 1 built dugouts, washrooms and fencing at the old ground; Essex Farms must supply these under its contract
Tournament-wide (heads 07–12)	24.82	29.82	Technology platform now a contracted line (₹14.04 L)
Contingency	none	4.80	6% buffer, which Season 1 never carried
Prize pool	5.00 winner's cheque (inside tournament-wide)	20.00, sponsor-funded	Bigger pool, off the League's books

Decisions this budget needs

- [ ] **Format and match days:** 33 matches over 12 days is the base. Each extra match day adds about ₹2.5 L.
- [ ] **Essex Farms rates:** this budget allows ₹79,000 a match day plus ₹2 L of pitch preparation and balls. Agree a fixed rate card in the ground contract before committing.
- [ ] **GST:** confirm whether vendor figures include GST. If not, heads could run up to 18% higher.
- [ ] **Sponsorship:** sign ₹31.14 L by December (₹11.14 L general + ₹20 L prize). If it isn't signed, trim events (heads 05–06, ₹18 L) before anything on match days.
- [ ] **Season 1 arrears:** ₹32.38 L was still owed to Season 1 vendors (Season 1 report, 26 Aug), and it isn't in this budget. Settle or reschedule it before Season 2 vendors are signed.
- [ ] **Owners' meet:** put in the actual 30 Oct bill.
- [ ] **Technology:** confirm the Foundary Tek figures against the signed quotation and change requests.
